2022 - 2023 Bulletin 16: Monday 27 February 2023

Year 9 Production—The Crucible

On Friday 10 February Year 9, accompanied by The SISKY Players (our Year 10 drama group), performed Arthur Miller's play 'The Crucible': an exciting portrayal of events from the witch trials of 1692 that took place in Salem, Massachusetts. This performance was the culmination of a huge amount of work undertaken by students both in their lessons and in their own time. The students did an excellent job of bringing out the dramatic side of these events, and clearly had a fun time performing this challenging play. The production was well received by the audience, with lots of positive comments on the show and praise for the various talents of the performers. Pictures of the performance are below and on the next page of this bulletin.

DATES FOR YOUR DIARY

Monday 27 February— Saturday 4 March

Monday 27 February

Start of new half-term
ASA Programme

Tuesday 28 February

Open Day
ASA programme

Wednesday 1 March

ASA Programme

Thursday 2 March

World Book Day
ASA programme

Friday 3 March

ASA programme

Saturday 4 March

Dorm trip to Khao Yai National Park

Primary

Year 1 and Year 2 students have been creating coins that they had designed earlier in the term and making 'wanted' posters for some naughty pirates. In mathematics Year 1 students have continued to learn about the place value of numbers to 20. In Year 2 students have started to learn about multiplication. Year 3 have learned a lot this week in IPC about Tutankhamun - and researched who the archeologist was that found the tomb, and when. They have also continued their writing about Leon and the Place Between. The story is really magical, and has helped the children produce some really descriptive writing. Year 4 has produced some excellent final results with their design technology projects: designing a game using knowledge that they acquired while learning about the Ancient Egyptians in their IPC topic:

Temples, Tombs and Treasure. The children have also, this week, made their own adventure comics in English and computing lessons. Year 5 has been busy writing poems inspired by their class book. The King of the Sky is set in Wales and deals with some challenging concepts, which the students have empathised with. They have learned all about racing pigeons and the pigeons who were awarded medals for their bravery and work delivering messages during WWII. The students have produced some excellent poems, information booklets and fact files. In English, the Year 6 students planned, wrote and edited their own version of 'A Boy and a Bear in a Boat', titled 'A girl and a Gorilla in a Gondola.' They focussed on adding description, writing in the past tense, punctuating speech with inverted commas and starting a new paragraph for each new speaker.

a reminder:

- Attendance to school is important! Research shows that students who are absent for more than 10% of lessons will make much less progress than students attending at least the expected 95% of lessons.
- Please avoid missing school days unless unavoidable!
- Students in Year 1 to Year 12 should be in school by 07:45. Late students miss learning and key information.

2022 - 2023 Bulletin 16: Monday 27 February 2023

Year 9 Production—The Crucible

More photos of the production are below:

Parent and Toddler Group

Every Monday and Wednesday there is a parent-toddler group within the Early Years section of the school. It is a great opportunity for young children between the age of 1.5 to 2 years old to come and play with children of their own age and start to get used to the school environment with the security of a parent also being present. There are a limited number of places available. Anyone interested may find out more information by either contacting the Admissions Officer, Ms. Goong at admissions_ky@sis.edu or by speaking to the Receptionist.

Term 2—Term 2 Tennis After School Activities

This term, students from Year 9 to Year 11 have been participating in a weekly tennis ASA. Regular participants have had an opportunity to learn the rules and unique scoring system, improve their physical fitness, and perhaps more importantly, have a lot of fun! Who knows, the next Roger Federer or Serena Williams may be within our ranks!
